This is an entry level role which provides the foundation knowledge, skills and experience for progression into a number of career paths including Practice Manager, Area Manager and Regional Manager leading to Senior Management roles.

Qualifications

Our approach to ensuring that the apprentice is on track is based on a combination of an externally validated qualification and an in house

Performance Management (PM) process.

Level 4 Qualification – Certificate in Leadership & Management

Alternatively where employers feel that there is evidence of higher academic aptitude, the apprentice could opt for a more demanding higher level qualification that would enable fast tracking through the progression routes available on completion of this apprenticeship.

English & Maths

Apprentices without level 2 English and maths will need to achieve this level prior to taking the End-Point Assessment. For those with an education, health and care plan or a legacy statement, the apprenticeship's English and maths minimum requirement is Entry Level 3. A British Sign Language (BSL) qualification is an alternative to the English qualification for those whose primary language is BSL
