

How to check if apprenticeships have provided a return on investment?

THERE ARE THINGS YOU CAN MEASURE

1

RECRUITMENT

How many previous vacancies are now filled with apprenticeships?

2

DIVERSITY

How the apprenticeships have impacted on diversity in the organisation?

3

QUALITY

How satisfied are apprentices with their apprenticeship?

4

RETENTION

How many apprentices are still in the company 3-5 years later?

5

COMPLETIONS

How many apprentices have completed their apprenticeship?

6

JOB OFFERS

How many apprentices were offered a job on completion?

7

PROMOTIONS

How many apprentices go onto be promoted or take senior level positions?

8

STAFF TURNOVER

How does this compare with overall staff turnover?

90%

70%

50%
