

Model of delivery at Lambeth College

Modules and study time:

Modules you will study at Level 1

- Introduction to personalities and behaviour
- Emotional intelligence
- Assertiveness
- Motivating yourself and others
- Developing self – understanding how you learn
- Personal management
- Reflection
- Introduction to teams
- Functional Skills English and/or maths at Entry 3 or Level 1

Modules you will study at Level 2

- Developing yourself as a team leader
- Problem solving skills
- Coaching in the workplace
- Functional Skills English and/or maths at Level 2

Modules you will study at Level 3

- Understanding leadership
- Team dynamics
- Advanced communication
- Developing self and others
- Problem solving, planning and implementing change
- Presentation skills
- Motivational interviewing

Based on the model at Lambeth College the programme runs 6 days over 6 months. The Functional Skills qualification is completed as self-directed study, however, additional support may be given from employers at organisations discretion.
