

## Estates and Facilities Apprenticeships

### Employer Event

**Mon 12th July 2021, 1.30 – 3.30**

This is an **open invitation** to all who are involved in developing the NHS Estates and Facilities Workforce

This event is hosted by Health Education England, in partnership with NHS England and NHS Improvement Estates and Facilities National Team. It is suitable for employers who are considering implementing apprenticeships within the NHS Estates and Facilities workforce and would like information around the practical steps and actions needed to ensure effective implementation. This event will specifically cover a wide range of apprenticeships at all levels, for both new and existing staff suitable for the development of the Estates and Facilities workforce from; Healthcare Cleaning, Hospitality and Leadership to Engineering, Joinery and Sustainability / Net Zero Carbon roles.

#### **This event will cover:**

- Current and future apprenticeship opportunities
- Workforce Planning and developing career pathways and models via apprenticeships
- Practical steps for accessing apprenticeship funding via apprenticeship levy and levy transfer and employer funding rules
- Responsibilities of managers, apprentices, and training providers
- Apprenticeship procurement and how we ensure apprenticeship provision meets employer and apprentices needs
- Action / commitment for future implementation / next steps to deliver the skills needed for today and in the future
