This series of Health Education England ESOL Practice Network Webinars are for anyone who wants to improve ESOL learning in the health and care workforce.

You could be a health or care sector manager, organiser, tutor. Or you work in or with the sector – and simply want to see better learning provision and support for health and care workers who are Other Language speakers.

May 17th 1030 – 1130

- 1. ESOL from recruitment to CPD: what to put in place for Other Language Speakers**
- 2. Funding: 3 ways to fund ESOL learning in the health and care workplace**

June 14th 1030 – 1130

- 1. Overseas qualified staff and ESOL: ESOL learning on the journey to registration; ESOL in CPD for qualified staff.**
- 2. Defining ESOL for Nursing: bringing the data and research up to date**

We plan to put on more webinars and events in the Autumn - so ***register for this webinar series using this [registration form](#) and we will update you on the topics for each webinar – and webinars to come.***
