

## In the Spotlight: Kay Fawcett

This month we say au revoir to a most valued colleague – Kay Fawcett OBE as she passes on her baton having worked with HEE (Health Education England) Talent for Care for nearly 9 years in her role as national lead and clinical advisor in the development of the care certificate

Kay has been part of the NHS family for over 40 years and has been in senior clinical leadership roles both in her home counties in the East and West Midlands, and national roles with the NHS/HEE, the RCN, and Helpforce.

Jane Hadfield & Kay Fawcett  
Joint Chairs of the Levels 2, 3 & 5 Health Apprenticeship  
Trailblazers - Celebrating completion!

## AHP Support Subgroup

I have had the pleasure of working with Kay for 8 years. We have been 'partners in crime' as Trailblazer Chairs leading the development of apprenticeship occupational standards for Health Care Support Workers and Assistant Practitioners.

Kay's passion for the NHS and her profession shine through. She uses her experience and skills to support the people at the frontline delivering services, and especially she advocates the value and development of our Support Workers. She is unerringly impactful, constructive, is fearless and innovative and is committed and skilled in enabling others to deliver and achieve their full potential.

HCSW, Senior HCSW and Assistant Practitioner Trailblazer celebrate finishing their 2 year project

I am confident that though we are losing Kay she will remain influential and will continue to do what she has always done – make a difference.

and Assistant Practitioner  
Trailblazer

*Thank!  
You.*

Farewell Kay, a most trusted and valued colleague  
– have fun in this, your next chapter.
