

NHS PROPERTY SERVICES

MARINA

LEVEL 4 FACILITIES MANAGER

Meet Marina,
a Facilities Manager apprentice
at NHS Property Services.

What apprenticeship are you studying and what does the study involve?

I am studying the Level 4 Facilities Manager apprenticeship Standard.

Why did you want to do the apprenticeship?

I wanted to undertake the apprenticeship as it is a progression step and it will enhance and develop my career.

What is your current role?

I am a Property Manager.

How did you get into your current role?

I applied for an internal position. During the course, I had the opportunity to meet new colleagues from various departments. This has allowed me to network and collaborate. It has raised my profile and abilities internally.

What has been your proudest achievement on your apprenticeship to date?

I finished my apprenticeship with Distinction.

What do you want to do once you complete your apprenticeship?

I would like to apply the knowledge that I have learned to benefit the company and our customers and become an asset to NHS Property Services and utilise my new skills.

What would you say to someone considering an apprenticeship?

Go For it!! Best way to learn and analyse theory, then utilise it in real life examples. A great opportunity to put everything I have learned into practice.
