

Sophie Woodward Bridgewater Community Healthcare NHS Foundation Trust

Sophie Woodward is a Nursing Assistant / Administrator at Bridgewater Community Healthcare NHS Foundation Trust. We spoke to Sophie recently about her experiences of the Care Certificate, keep reading to find out more.

What is your current role?

I am a Nursing Assistant / Administrator.

How did you get into your current role?

I applied through the NHS website as I am interested in progressing into a nursing role in the future hopefully.

What did you like about the Care Certificate, has it helped you in your role?

The Care Certificate has helped me equip myself with skills and knowledge that I can use within my job role to provide safe, compassionate, and efficient care.

Have there been any challenges?

Finding time within working hours to complete the standards and gathering evidence to support them.

What are you doing now?

I did the care certificate as was required for my current role. It is a requirement at the trust I work for. I am looking to progress on to the next level in my career.

The Care Certificate is an identified set of standards that health and social care workers adhere to in their daily working life. [Click here](#) to learn more about the Care Certificate.
