We spoke to Julie recently about her experiences of undertaking an apprenticeship, keep reading to find out more.

What apprenticeship are you studying and what does the study involve?

I am studying the Level 6 Registered Nurse – Degree (NMC 2018) apprenticeship. This involves attending university for the academic part and placements for practice learning.

What is your current job role and how did you get into your current role?

I am currently an Assistant Practitioner, I progressed from a HCA (Healthcare Assistant).

What have been the biggest challenges?

The biggest challenge has been managing time and balancing work with study.

What has been your proudest achievement on your apprenticeship to date?

Getting this fast and onto the last placement with only a few weeks to go.
