

## WHAT IS LITERACY?

Literacy is the ability to read, write, speak and listen in a way that lets you communicate effectively and make sense of the world.

## WHAT IS NUMERACY?

Numeracy is the set of maths skills that you might use in everyday life. It means having the confidence and skill to use numbers and mathematical approaches in all aspects of life.

## WHAT ARE DIGITAL SKILLS

Digital Skills are 'the digital skills adults need to safely benefit from, participate in and contribute to the digital world.'  
(UK Government).
