WHAT APPRENTICESHIP ARE YOU STUDYING

I completed the Level 3 Business Administrator apprenticeship.

WHAT HAS BEEN THE BEST PART OF YOUR APPRENTICESHIP?

For me it was the experience of learning on the job in a role I am very passionate about and having the excellent training from Derwentside College to compliment it.

WHAT HAS BEEN YOUR PROUDEST ACHIEVEMENT ON YOUR APPRENTICESHIP TO DATE?

Completing my Apprenticeship with a Distinction in all 3 sections (Portfolio, Improvement Project/Presentation and knowledge test).

WHAT WOULD YOU SAY TO SOMEONE CONSIDERING AN APPRENTICESHIP?

If you are really wanting to put the passion and effort into learning something new or even expanding on your current knowledge then an apprenticeship is definitely for you, the support you receive from your employer and training provider is second to none and at the end of it not only do you have your qualification but you also have the real work experience which will help you to secure your future career.
