NHS DIGITAL TRANSFORMATION LUNCH AND LEARN

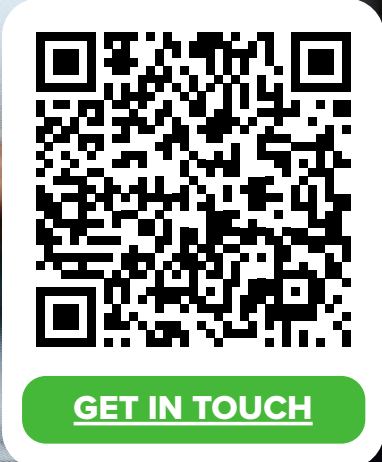

CLICK HERE TO WATCH ON DEMAND

Remit Training has been a trusted apprenticeship training partner of The NHS, working with 20+ trusts since 2021. During this lunch and learn, we covered how Remit can support your digital transformation through apprenticeships that have tailored, flexible and blended delivery models to best suit the needs of your team. Participants also received a free managers guide! To find out more, click the link above. To speak to an expert or receive your **FREE Managers Guide**, scan the QR code below!
